To schedule an appointment call 866-543-6009 or 612-746-1530.

Blue Mounds State Park programs and events

Prairies are famous for wildflowers, and the most well-known celebrities start blooming in July. Join the naturalist for a backstage tour of the year's biggest show: summertime, from 7 to 8 p.m. Thursday, July 23, at **Wildflower Celebrities**. Be prepared for up to 1 mile of walking on easy trail. Meet under the maple tree in the picnic area.

Plants will do almost anything to cross-pollinate. Some will offer food and shelter to their favorite pollinators. Some will perform complex acrobatics. Still others will trick, trap, and even kill to get their genes out into the wider world. Explore the fascinating methods of flowers at the naturalist's table anytime between 5 and 7 p.m. at **Pollination Station** Friday, July 24. Meet at the main campground entrance.

Nature is filled with light, even at night. From the belly of a firefly to the glow of the aurora, the phenomenon of light is part of the most exciting dance of the universe. Let the family stay up late and explore the nature of luminescence from 9 to 10 p.m. Friday, July 24, at **Light up the Night**. Bring a chair (as seating is limited), bug protection, and appropriate evening clothing. Children must be accompanied by an adult. Flashlights are recommended, as it will be fully dark when the program is finished. Meet at the amphitheater parking lot.

Often misunderstood, bats are a unique and essential part of the ecosystem. Join the naturalist at **Junior Ranger: Bat Facts** from 4 to 5 p.m. Saturday, July 25, for story time to read "The Secret Life of the Little Brown Bat" and uncover some of the mysteries of the world's only flying mammal. After the story, bust some common myths, then craft your own bat to fly home with. Program is designed for children 6-12 years old, and all curious minds are welcome. Children must be attended by an adult. Meet at the picnic shelter.

There is only one rock at Blue Mounds State Park: Sioux Quartzite. The geological features found in this formation tell 1.7 billion years of earth's history. Attend **Written in Stone** from 7 to 8 p.m. Saturday, July 25. No matter the reading level, children and adults can learn to interpret what is written in stone. The program includes 1/2 mile of walking on rough prairie trail. Meet at the Eagle Rock Vista Trailhead.

A prairie may seem like a simple landscape, but there is a complex network of plants and animals beneath your feet. Visit this nature table program of **Going Underground** anytime between 10 a.m. and 12 p.m. Thursday, July 23, and ask the naturalist about going underground. Meet at the picnic area.

Programs will be canceled in the event of poor weather conditions. Check online or call the provided phone number. If you need an accommodation, please contact park staff at blue-mounds.statepark@state.mn.us or at 507-283-6051, two weeks prior to the event.

CARDS OF THANKS

A Heartfelt Thank You — Words cannot fully express our gratitude for the incredible kindness and support shown to our family following the loss of our home in the fire. To our family, friends, neighbors, first responders, local businesses, churches, organizations and countless community members who have reached out with prayers, donations, meals, clothing, supplies, helping hands, and words of encouragement —thank you. Your generosity and compassion have carried us through one of the most difficult times in our lives. We have been overwhelmed by the outpouring of love and support. Each act of kindness, whether large or small, has reminded us how blessed we are to be part of such a caring community. While we may not be able to thank everyone individually, please know that your thoughtfulness has made a lasting difference and will never be forgotten. From the bottom of our hearts, thank you for standing with us as we begin to rebuild.
With sincere gratitude,
Jason & Shawna Brandt Family
