Blood drive scheduled for Aug. 17 to aid with summer shortage

As local blood supplies falls into a critical shortage, Sanford Luverne Medical Center and Community Blood Bank will host an urgently needed community blood drive from 10 a.m. to 1 p.m. and 2:30 to 5 p.m. Monday, Aug. 17. Donors can schedule a donation by logging into www.cbblifeblood.org, selecting “Donate Now”, “Blood Drive Calendar”, and select Aug. 17 or call Community Blood Bank at 605-331-3222. All who donate blood will receive a \$20 McDonald’s gift card as a thank you gift. The need is urgent and constant: someone in America requires blood every two seconds, and local hospitals are currently running on critically low reserves, putting vulnerable patients at risk.

Can you donate? Here’s what’s required:

•At least 17 years old (16 with signed parental consent); •Weigh 110 lbs. or more; •Be in good general health; •Bring a valid ID; •Eat well and stay hydrated beforehand

This is your community. These are your neighbors. The need is immediate — please act today. Test your knowledge about the local plants and animals of Blue Mounds State Park. Bonus points for roasting the perfect marshmallow! Meet at the amphitheater.

Beavers are one persistent rodent! One stick at a time they shape the surrounding landscape with their engineering prowess. From 9:30 to 11:30 a.m. Sunday, Aug. 16, stop by the naturalist’s table to discover what adaptations beavers use to construct their dams and lodges. Then see how your building skills compare to a beaver’s by building your own mini dam. Activities take about 10-15 minutes. Meet at the picnic area.
